

Preliminary list of participants - 12/03/2025

ABATEK AMERICAS INC.

Design and manufacture of tailor-made input solutions. Rubber products. Plastic injection molding and finishing processes. Assembly services

USA

AI SHEPHERDS

Guiding automotive suppliers & mobility service providers in their AI transition towards efficiency and differentiation through responsible AI.

Germany

AMAZON WEB SERVICES

Provider of on-demand cloud computing platforms

USA

AMTEK-GLOBAL, INC

Manufacturer of 2-passenger and 4 passenger vehicles perfect for urban commuting, bustling college campuses, retirement villages, last-mile delivery, or running small errands in suburban neighborhoods

USA

ASTERISK GREEN

Renewable Energy Semiconductor Manufacturing

USA

AUTOTECH VENTURES

Autotech Ventures is an early-stage venture capital firm.

USA

BOLLINGER MOTORS

All-American electric truck manufacturer, making the most dependable electric heavy-duty trucks available for commercial and military

USA

BRITISH PETROLEUM PLC

British multinational oil & gas company

United Kingdom

CAPGEMINI

A global leader in consulting, technology services and digital transformation

USA

CERENCE

Develops AI products for vehicles

USA

Preliminary list of participants - 12/03/2025

CLEAN FUELS MICHIGAN

A nonprofit trade organization that advocates for the alternative fuel and electric vehicle industries.

USA

CLUFIX NORTH AMERICA INC.

Specialist in assembly functions and industrial fastening processes

USA

CONSTELLIUM

Produces customized aluminium automotive structures and Crash Management Systems for our OEM customers, and features advanced development and prototyping capabilities

USA

CONTINENTAL AUTOMOTIVE SYSTEMS, INC.

Develops, produces and integrates active and passive safety technologies and controls vehicle dynamics.

USA

CREAFORM (AMETEK)

Creaform has experience in delivering full-scale engineering services, staff outsourcing and training in product design, industrial design, engineering, and numerical simulation for major corporations and SMBs in many industries

Canada

DATASPEED INC

Highly engineered hardware and software tools to researchers and developers working on mobility and robotics solutions

USA

DENSO INTERNATIONAL AMERICA, INC.

DENSO is one of the largest global automotive suppliers of advanced technology, systems and components

USA

EDF US INNOVATION LAB

Research & development company that explore new markets, innovative businesses and disruptive technologies for EDF Group in North America

USA

Preliminary list of participants - 12/03/2025

EXPLEO MICHIGAN

A global player in engineering, technology, and consulting, Expleo supports renowned organizations in transforming their operations and striving for operational excellence to secure their future together.

USA

FORVIA NORTH AMERICA

Faurecia US has become a key piece for the automotive industry thanks to its firm commitment to the digitization of processes, in which each plant can monitor its production in real-time, as well as analyze efficiency and action plans in detail.

USA

FIBROTEK ADVANCED MATERIALS

Fibrotek, founded in 2000, is a company equipped to answer all your needs in all machinable materials: Metals and alloys, Plastics, Composites

Canada

FTE PERFORMANCE

FTE Performance Consulting is an operations management consulting firm that improves the efficiency of manufacturing and other industrial organizations.

USA

FONTAINE MODIFICATION COMPANY

Fontaine Modification has developed specific solutions which satisfy the detailed needs of companies that haul automobiles.

USA

GENERAL MOTORS

Car manufacturer

USA

FORD MOTOR COMPANY

Core Fuel Systems and Hydrogen Cell Storage

USA

GROUND POSITIONING RADAR - GPR, INC

GPR technology uses ground penetrating radar to capture unique, stable, and always-available subterranean data for autonomous vehicle positioning.

USA

FORD MOTOR COMPANY

Car manufacturer

USA

Preliminary list of participants - 12/03/2025

HITACHI ASTEMO AMERICAS, INC.

Development, manufacture, sales and services of automotive components, transportation related components, industrial machines and systems, etc

USA

INSERTECH LLC

Insert Injection Molding, Electromechanical Assembly, Wire Harness, Coils and Bobbins for actuators, relays and valves

USA

HYUNDAI AMERICA TECHNICAL CENTER, INC (HATCI)

Design, technology and engineering arm for all North American models of the Korean-based Hyundai-KIA Automotive Group.

USA

INVESTISSEMENT QUÉBEC

Quebec investment agency

Canada

INNOVATION WORKS, LLC

Innovation Works, LLC provides software and design services that transform ideas into interactive experiences.

USA

JV UZ TRUCK AND BUS MOTORS LLC

Commercial vehicle manufacturer

Uzbekistan

INOPEC

Inogec provides state-of-the-art Automated Guided Vehicules (AGV, AMR & AGC) for autonomous material handling : Heavy Payload, Large Products, Hyper precise ...

Canada

KARMA AUTOMOTIVE

An American luxury electric vehicle company. Karma Automotive offers cutting-edge design, advanced technology, and sustainable driving solutions in select locations worldwide.

USA

MASTER FLUID SOLUTIONS

Aerospace premium TRIM fluids meet aerospace manufacturers' high-tech alloy machining needs to ensure repeatability and dramatically reduce expensive tooling costs.

USA

Preliminary list of participants - 12/03/2025

MAY MOBILITY

Mobility technology software for autonomous vehicles

USA

MAZDA NORTH AMERICAN HQ

Mazda is a Japanese automaker renowned for its innovative engineering and stylish design

USA

MI INTEGRATION

Your experienced partner for customized injection molding solutions

Canada

MICHIGAN ECONOMIC DEVELOPMENT CORPORATION (MEDC)

MEDC is a public-private partnership serving as the state's marketing arm and lead agency for business

USA

MICHIGAN SCIENTIFIC CORP

Production of slip ring assemblies, wheel force and wheel torque transducers, multi-axis load cells, strain gauge based transducers, signal conditioning electronics, wireless telemetry, and fiber-optic systems.

USA

MICHIGAN STATE UNIVERSITY- MOBILITY

MSU Mobility seeks to become a premier ecosystem for research and development of technologies and processes that drive the future of human-centric multi-modal mobility of the 21st century

USA

NITTO SEIKO AMERICA

Nitto Seiko is the world's largest single source supplier of high quality screw driving products and screw fastening systems.

USA

OAKLAND COUNTY ECONOMIC DEV. & COMMUNITY AFFAIRS

Oakland county, Michigan, economic development division

USA

Preliminary list of participants - 12/03/2025

OAKLAND UNIVERSITY

School of engineering and computer science

USA

REMETEC

CNC Precision and machined components.

Mexico

S&P GLOBAL MOBILITY

S&P Global provides governments, businesses, and individuals with market data, expertise, and technology solutions for confident decision-making.

USA

SATYAM VENTURE ENGINEERING SERVICES

Leading provider of automotive engineering services, including product design, testing, manufacturing and consulting.

USA

SENOPLAST USA, INC

Manufacturing of co-extruded sheets for exterior and interior Automotive applications

USA

STELLANTIS

Stellantis is a leading global automaker and mobility provider that offers clean, connected, affordable and safe mobility solutions

USA

SYVASA SERVICIOS Y VENTA DE ACERO, SA DE CV

From start to finish, we solve your metalworking production needs, from the design and development of prototypes to finishing, packaging, quality control and shipping.

Mexico

TECHNICA ENGINEERING INC.

As a leading technology company, we support our customers from E/E Architecture design to vehicle validation

USA

THINK DIGITS

Advanced AI system designed to optimize and oversee production processes, ensuring maximum efficiency and minimal downtime.

USA

Preliminary list of participants - 12/03/2025

TOYOTO TSUSHO SYSTEMS US

Toyota Tsusho is the trading arm of the Toyota Group.

USA

UGOWORK

UgoWork is a revolutionary advancement in Lithium-ion power solutions

Canada

UNICOR INDUSTRIES INC

Unicor is a molding manufacturing company that employs thermoplastic resin injection. We specialize in the manufacture of custom industrial and institutional parts that require high technical expertise and strict quality standards.

Canada

UNIVERSITY OF MICHIGAN MCITY

With access to our world-class test facility, mixed-reality testing capabilities, a data engine, and renowned talent, Mcity is your hub for research, development and deployment of next-generation mobility innovations to the real world.

USA

US ARMY TANK-AUTOMOTIVE AND ARMAMENTS COMMAND

The United States Army Combat Capabilities Development Command (DEVCOM) Ground Vehicle Systems Center (GVSC), located in Warren, Michigan, is the United States Armed Forces' research and development facility for advanced technology in ground systems

USA

USINATECH

Usinatech is a trusted, turnkey precision manufacturer of high-volume, high-quality power transmission, chassis, steering and suspension parts for OEMs and Tier 1 suppliers of hybrid, electric and gas powered vehicles

Canada

VALLEE DE LA TRANSITION ENERGETIQUE - VTE

Technological innovation zone which aims to initiate, develop and promote innovation in energy transition through the battery sector, the electrification of transport, hydrogen and industrial decarbonization and heavy transport

Canada

VOLVO NORTH AMERICA

Automotive manufacturer

USA

Preliminary list of participants - 12/03/2025

VULTARA

Vultara, Inc. provides web-based product security risk management tools for electronics manufacturers.

USA

ZF GROUP

ZF is a global technology company supplying advanced mobility products and systems for passenger cars, commercial vehicles and industrial technology.

USA
