

Elenco fabbisogni buyer

	Company Name	1) GREWUS GmbH	2) MIWE Michael Wenz GmbH	3) Maschinenfabrik Niehoff GmbH & Co.KG	4) KASAG Swiss AG	5) Kubota Baumaschinen GmbH	6) Plaston AG
Company Contact Information	Country	Germany	Germany	Germany	Switzerland	Germany	Switzerland
	Number of Employees	17	760	700	65	550	400 worldwide
	Last year turnover in EUR	10 Mio. EUR	112 Mio.	220 Mio EUR.		631 Mio.	ca 73 mio. EUR
	Communication language	German / English /Italian	German and English	German	German and English	German and English	German/English
	Company Website	www.grewus.de	www.miwe.com	http://niehoff-gmbh.info/	www.kasag.com	http://www.kubota-baumaschinen.de/	www.plaston.com
Company Overall Profile	Company's Industry / Business Sector	electronic components	bakery ovens	Mechanical Engineering	Plant, apparatuses and pressure vessel construction for the food industrie, chemistry, pharma and biotech	construction machinery	packaging, tecnical parts
	Production method (Mass production; unit and/or batch production; both)	both	both		Project related, batch production	mass (lot size a year: 1500-5000 pcs)	batch production
Certifications requested	ISO 9001	yes	yes	yes	yes		
	ISO 14001	yes					
	EN 1090				yes		
	Others	TS 16949		ISO 3834-2	For welding ISO 3834-2		

Metal Sector	Metal Work & Parts	Welding /parts		yes	yes	yes		
		Contacting /parts						
	Bending /parts		yes		yes	yes		
	Stamping /parts		yes		yes			
	Deep drawing /parts						yes	
	Pressing /parts					yes		
	Forging /parts					yes		
	Turning & Milling	Turned parts	yes	yes		yes	yes (Pins und bushes only)	
		Milled parts	yes	yes		yes		
		Fittings				yes		
		Flanges				yes		
	Casting	Casting - min. weight of parts (kg)						
		Casting - max. weight of parts (kg)						
		Aluminium high pressure die casting						
		Cast aluminium						
		Casting - static						
		Casting - centrifugal						
		Spheroidal cast						
	Filters & Coolers	Cast steel						
		Grey cast iron						
Filters & Coolers	Filters							
	Coolers							
Other	Sheet metal work		yes	yes	yes			
	Machine building							
	Gearboxes				yes			
	Mould making						hot runner molds multi cavity molds hot runner cascade controlled hardened molds molds for technical parts molds for esthetic parts	
Other	Tool making							
	Construction							
Comments	Comments/ special details			Welding assemblies with / without mechanical processing up to 10 tons weight Switch cabinets (housing only)			slider and bevel slider all molds with original standard parts (Meusburger, HASCO, etc.) molds up to 8to we have injection machine from 25to – 1500to clamping force fully automatic production, no flash or handwork allowed.
